ORDER:

The Government of India on 1st October 2021 launched Atal Mission for Rejuvenation and Urban Transformation – 2.0 (AMRUT -2.0) with an aim of making the cities **'water secure'** by providing functional water tap connections to the households in all statutory towns and providing universal household coverage of sewerage & septage services in 500 AMRUT cities, Rejuvenation of water bodies and Green Spaces & Parks include other components of the Mission. The primary focus of AMRUT 2.0 is empowering States / UTs and cities for efficient implementation of projects in the spirit of cooperative and competitive federalism by providing flexibility to the States / UTs to formulate, plan and implement the projects. Outcome based funding is a major feature of AMRUT 2.0. The following projects are allowed under AMRUT 2.0.:

i) Universal Coverage of Water Supply.
ii) Sewerage & Septage Management and recycle / reuse of treated water.
iii) Rejuvenation of Water Bodies and Creation of Green Spaces and Parks.
